

INDEPENDENT AUDITOR'S REPORT

To the Members of Whizdm Innovations Private Limited

Report on the Audit of the Standalone financial statements

Opinion

We have audited the accompanying standalone financial statements of Whizdm Innovations Private Limited ("the Company"), which comprise the Balance sheet as at March 31, 2023, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of Standalone financial statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the standalone financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Those Charged with Governance for the Standalone financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going

concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ▶ Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ▶ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- ▶ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ▶ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- ▶ Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

- (b) In our opinion, proper books of account as required by law have been kept by the company so far as it appears from our examination of those books;
- (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended;
- (e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls with reference to these standalone financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;
- (g) The provisions of section 197 read with Schedule V of the Act are not applicable to the Company for the year ended March 31, 2023;
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. a) The management has represented that, to the best of its knowledge and belief, as disclosed in the note 48 to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
b) The management has represented that, to the best of its knowledge and belief, as disclosed in the note 48 to the standalone financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. No dividend has been declared or paid during the year by the Company.

S.R. BATLIBOI & ASSOCIATES LLP

- vi. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable for the Company only w.e.f. April 1, 2023, reporting under this clause is not applicable.

Annexure referred to in paragraph 1 of "Report on Other Legal and Regulatory Requirements" of our report of even date

Re: Whizdm Innovations Private Limited ('the Company')

In terms of the information and explanations sought by us and given by the company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i)(a)(A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (i)(a)(B) The Company has maintained proper records showing full particulars of intangible assets recognized in the financial statements.
- (i)(b) Property, Plant and Equipment have been physically verified by the management during the year and no material discrepancies were identified on such verification.
- (i)(c) There is no immovable property (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), held by the Company and accordingly, the requirement to report on clause 3(i)(c) of the Order is not applicable to the Company.
- (i)(d) The Company has not revalued its Property, Plant and Equipment or intangible assets during the year ended March 31, 2023.
- (i)(e) There are no proceedings initiated during the year or pending against the Company as at March 31, 2023 for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended) and rules made thereunder.
- (ii)(a) The Company's business does not require maintenance of inventories and, accordingly, the requirement to report on clause 3(ii)(a) of the Order is not applicable to the Company.
- (ii)(b) The Company has not been sanctioned working capital limits in excess of Rs. five crores in aggregate from banks or financial institutions during any point of time of the year on the basis of security of current assets. Accordingly, the requirement to report on clause 3(ii)(b) of the Order is not applicable to the Company.
- (iii)(a) During the year the Company has provided loans, advances in the nature of loans, stood guarantee and provided security to companies or firms or any other parties as follows:

Particulars	Guarantees (Rupees in Lakhs)	Security (Rupees in Lakhs)	Loans (Rupees in Lakhs)	Advances in nature of loans (Rupees in Lakhs)
Aggregate amount granted/ provided during the year				
- Subsidiaries	28,500	NA	4,100	NA
- Joint Ventures	NA	NA	NA	NA
- Associates	NA	NA	NA	NA
- Others	NA	NA	NA	NA
Balance outstanding as at balance sheet date in respect of above cases				
- Subsidiaries	26,061	NA	Nil	NA
- Joint Ventures	NA	NA	NA	NA
- Associates	NA	NA	NA	NA
- Others	NA	NA	NA	NA

During the year the Company has not provided Security and advances in the nature of loans to any other parties.

- (iii)(b) During the year the investments made, guarantees provided, security given and the terms and conditions of the grant of all loans and advances in the nature of loans, investments and guarantees to other parties are not prejudicial to the Company's interest.
- (iii)(c) The Company has granted loans during the year to other company where the schedule of repayment of principal and payment of interest has been stipulated and the repayment or receipts are regular.
- (iii)(d) There are no amounts of loans and advances in the nature of loans granted to companies, firms, limited liability partnerships or any other parties which are overdue for more than ninety days.
- (iii)(e) There were no loans or advance in the nature of loan granted to any other parties which was fallen due during the year, that have been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.
- (iii)(f) The Company has not granted any loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(f) of the Order is not applicable to the Company.
- (iv) There are no loans, guarantees, and security in respect of which provisions of sections 185 of the Companies Act, 2013 are applicable, and hence not commented upon.
Further, according to the information and explanations given to us, provisions of sections 186 of the Companies Act, 2013 in respect of loans, investments and, guarantees, and security have been complied with by the Company.
- (v) The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.
- (vi) The Company is not in the business of sale of any goods or provision of such services as prescribed. Accordingly, the requirement to report on clause 3(vi) of the Order is not applicable to the Company.
- (vii)(a) Undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, cess and other statutory dues, as applicable to the Company have generally been regularly deposited with the appropriate authorities though there has been a slight delay in income-tax and provident fund. The provisions relating to sales tax, service tax, duty of customs, duty of excise, value added tax and cess are not applicable to the Company.

According to the information and explanations given to us and based on audit procedures performed by us, no undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.
- (vii)(b) There are no dues of goods and services tax, provident fund, employees' state insurance, income tax, sales-tax, service tax, customs duty, excise duty, value added tax, cess, and other statutory dues which have not been deposited on account of any dispute.
- (viii) The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.
- (ix)(a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon for any lender.
- (ix)(b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

- (ix)(c) The Company did not have any term loans outstanding during the year hence, the requirement to report on clause (ix)(c) of the Order is not applicable to the Company.
- (ix)(d) On an overall examination of the financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company
- (ix)(e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- (ix)(f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies. Hence, the requirement to report on clause (ix)(f) of the Order is not applicable to the Company.
- (x)(a) The Company has not raised any money during the year by way of initial public offer / further public offer (including debt instruments) hence, the requirement to report on clause 3(x)(a) of the Order is not applicable to the Company.
- (x)(b) The Company has complied with provisions of sections 42 and 62 of the Companies Act, 2013 in respect of the private placement of shares fully respectively during the year. The amount raised, have been used for the purposes for which the funds were raised except for idle/surplus funds which were not required for immediate utilization and which have been gainfully invested in liquid investments payable on demand.
- (xi)(a) No fraud by the Company or no fraud on the Company has been noticed or reported during the year.
- (xi)(b) During the year and up to the date of this report, no report under sub-section (12) of section 143 of the Act has been filed by us in Form ADT - 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (xi)(c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- (xii) The Company is not a nidhi Company as per the provisions of the Act. Therefore, the requirement to report on clause 3(xii) (a) to (c) of the Order is not applicable to the Company.
- (xiii) Transactions with the related parties are in compliance with sections 188 of Act where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards. The provisions of section 177 are not applicable to the Company and accordingly the requirements to report under clause 3(xiii) of the Order insofar as it relates to section 177 of the Act is not applicable to the Company.
- (xiv)(a) The Company has an internal audit system commensurate with the size and nature of its business.
- (xiv)(b) The internal audit reports of the company issued till the date of the audit report, for the period under audit have been considered by us.
- (xv) The Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence requirement to report on clause 3(xv) of the Order is not applicable to the Company.
- (xvi)(a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.
- (xvi)(b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities. Accordingly, the requirement to report on clause (xvi)(b) of the Order is not applicable to the Company.
- (xvi)(c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.

S.R. BATLIBOI & ASSOCIATES LLP

- (xvi)(d) There is no Core Investment Company as a part of the Group, hence, the requirement to report on clause 3(xvi)(d) of the Order is not applicable to the Company.
- (xvii) The Company has not incurred cash losses in the current financial year and immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.
- (xix) On the basis of the financial ratios disclosed in note 44 to the financial statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx)(a) In respect of other than ongoing projects, there are no unspent amounts that are required to be transferred to a fund specified in Schedule VII of the Companies Act (the Act), in compliance with second proviso to sub section 5 of section 135 of the Act.
- (xx)(b) There are no unspent amounts in respect of ongoing projects, that are required to be transferred to a special account in compliance of provision of sub section (6) of section 135 of Companies Act.

Annexure 2 referred to in paragraph 2(f) under the heading "Report on Other Legal and Regulatory Requirements" of our report of even date

Re: Whizdm Innovations Private Limited ('The Company')

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to standalone financial statements of Whizdm Innovations Private Limited ("the Company") as of March 31, 2023, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to these standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these standalone financial statements.

Meaning of Internal Financial Controls with Reference to these Standalone financial statements

A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Standalone financial statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls

S.R. BATLIBOI & ASSOCIATES LLP

with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Whizdm Innovations Private Limited

Summary of significant accounting policies and other explanatory information for the year ended March 31, 2023
(All amounts are in Indian Rupees Lakhs, except share data and per share data, unless otherwise stated)

1. Corporate Information

Whizdm Innovations Private Limited (“the Company”) was incorporated on August 11, 2014 under the Companies Act, 2013 (“the Act”). The Company has developed and operates mobile based applications “Money View” and “Money View Loans”. Money View, application provides personal financial management tools to the individuals to manage personal finances such as tracking income, expenses, savings, bill, etc., and Money View Loans is a personal finance and credit facilitation mobile based application through which the users of the platform will be introduced to personal loans offered by lending companies and similar lenders for various purposes. The Company is also engaged in the business of providing services to lending companies using the technology developed i.e., Money View Loans.

2. Statement of Compliance

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), and applicable provisions of the Companies Act, 2013 and other applicable regulatory norms / guidelines.

The financial statements for the year ended March 31, 2023 are the first financial statements which has been prepared in accordance with Ind AS. The financial statements upto and for the year ended March 31, 2021 were prepared in accordance with the accounting standard notified under Section 133 of the Act, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (‘Previous GAAP’) which have been adjusted for the differences in the accounting principles adopted by the Company on transition to Ind AS. As these are the Company’s first financial statements prepared in accordance with Ind AS, the Company has applied, First Time Adoption Standard (Ind AS 101) of Indian Accounting Standards. An explanation of how the transition to Ind AS has effected the previously reported financial position, financial performance and cash flows of the Company is provided in Note 43.

The standalone financial statements for the year ended March 31, 2023 were authorized and approved for issue by the Board of Directors on September 06, 2023.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in accounting policy hitherto in use.

3. Significant accounting policies

3.1. Basis of preparation

(i) Going concern and basis of measurement

The financial statements has been prepared on a going concern basis under the historical cost convention on accrual basis except for certain financial assets and financial liabilities are measured at fair values at the end of each reporting year.

All assets and liabilities have been classified as current or non-current as per the criteria set out in the Companies Act, 2013. The Company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

(ii) Functional and presentation currency

These financial statements are presented in Indian Rupees, which is also the Company’s functional currency. All amounts have been rounded off to lakhs with two decimal places as permitted by Division II of Schedule III of the Act, except when otherwise indicated.

(iii) Use of estimates and judgements

The preparation of the financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. The management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in the current and future year. An overview of the areas that involve a higher degree of judgement or complexity, and of items, which are more likely to be materially adjusted due to, estimates and assumptions turning out to be different than those originally assessed have been disclosed below. Detailed

Whizdm Innovations Private Limited

Summary of significant accounting policies and other explanatory information for the year ended March 31, 2023 (All amounts are in Indian Rupees Lakhs, except share data and per share data, unless otherwise stated)

information about each of these estimates and judgments is included in the relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

Estimate and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the entity and that are believed to be reasonable under circumstances.

(iv) Recent accounting pronouncements

On 24 March 2021, the Ministry of Corporate Affairs ("MCA") through a notification, amended Schedule III of the Act. The amendments revised Division I, II and III of Schedule III and are applicable from 1 April 2021. The revised Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015, as amended, prescribes amendments for various additional disclosures. The Company has incorporated these requirements of these amendments and considered as part of the financial statements.

3.2 Revenue recognition

Indian Accounting Standard 115 Revenue from Contracts with Customers ("Ind AS 115"), establishes a framework for determining whether, how much and when revenue is recognised and requires disclosures about the nature, amount, timing and uncertainty of revenues and cash flows arising from customer contracts. Under Ind AS 115, revenue is recognised through a 5-step approach:

- (i) Identify the contract(s) with customer;
- (ii) Identify separate performance obligations in the contract;
- (iii) Determine the transaction price;
- (iv) Allocate the transaction price to the performance obligations; and
- (v) Recognise revenue when a performance obligation is satisfied.

Rendering of Services

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is recognised either at a point in time or over time, when (or as) the Company satisfies the performance obligations by transferring the promised services to its customers.

Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the revenue can be measured reliably and there exists reasonable certainty of its recovery. Interest income is accrued on a time basis, by reference to the principle outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Other income

All other income is recognized on accrual basis when no significant uncertainty exists on their receipt.

3.3 Property, Plant and Equipment and Depreciation

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses, if any. Cost includes all expenses, direct and indirect, specifically attributable to its acquisition and bringing it to its working condition for its intended use and net of any trade discounts and rebates. Incidental expenditure pending allocation and attributable to the acquisition of fixed assets is allocated/ capitalised with the related assets. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

Subsequent measurement (depreciation method, useful lives and residual value)

Depreciation on assets is provided on Written Down Value Method ('WDV') in accordance with the rates arrived at based on the useful lives prescribed under Schedule II of the Companies Act, 2013. Management estimates useful life of assets as following:

Whizdm Innovations Private Limited

Summary of significant accounting policies and other explanatory information for the year ended March 31, 2023
(All amounts are in Indian Rupees Lakhs, except share data and per share data, unless otherwise stated)

Asset class	Useful Life as Prescribed by Schedule II of the Companies Act, 2013	Useful life adopted by the Company
Furniture and fixtures	10 years	10 years
Computers and peripherals	3 years	3 years
Leasehold improvements	Lease period	Lease period
Office equipment	5 years	5 years

Depreciation is calculated on pro rata basis from the date on which the asset is ready for use or till the date the asset is sold or disposed. Assets individually costing less than Rs. 5,000 are fully depreciated in the year of purchase. The residual values, useful lives and method of depreciation are reviewed at the end of each financial year.

De-recognition

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the Statement of Profit and Loss, when the asset is derecognized.

3.4 Intangible assets and Amortisation

Recognition and initial measurement

Intangible assets are carried at cost less accumulated amortisation and impairment losses, if any. The cost of an intangible asset comprises its purchase price, including any import duties and other taxes (other than those subsequently recoverable from the tax authorities), and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates. Costs incurred on internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in the Statement of Profit and Loss in the year in which the expenditure is incurred. Research costs are expensed as incurred.

Any gain or loss on disposal of an item of intangible assets is recognised in statement of profit or loss.

Subsequent measurement (amortization method, useful lives and residual value)

Intangible assets are amortized on a straight line basis over the estimated useful economic life. Management estimates useful life of intangible assets as following:

Asset class	Useful Life as Prescribed by Schedule II of the Companies Act, 2013	Useful life adopted by the Company
Software and licenses	3 years	3 years
Mobile applications	5 years	5 years

Amortisation is calculated on pro rata basis from the date on which the asset is ready for use or till the date the asset is sold or disposed. Assets individually costing less than Rs. 5,000 are fully amortised in the year of purchase. The residual values, useful lives and method of amortisation are reviewed at the end of each financial year.

De-recognition of Intangible Assets

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset are recognized in the Statement of Profit and Loss when the asset is derecognized.

3.5 Finance Costs

Finance costs represents Interest expense recognised by applying the EIR to the gross carrying amount of financial liabilities other than financial liabilities classified as FVTPL. Interest expense includes issue costs that are initially recognized as part of the carrying value of the financial liability and amortized over the expected life using the effective

Whizdm Innovations Private Limited

Summary of significant accounting policies and other explanatory information for the year ended March 31, 2023 (All amounts are in Indian Rupees Lakhs, except share data and per share data, unless otherwise stated)

interest method. These include fees and commissions payable to advisers and other expenses such as external legal costs, provided these are incremental costs that are directly related to the issue of a financial liability.

3.6 Borrowing Costs

Borrowing costs consist of interest and other costs that the Company incurred in connection with the borrowing of funds. Borrowing costs that are directly attributable to the acquisition and/ or construction of a qualifying asset, till the time such a qualifying asset becomes ready for its intended use sale, are capitalized. A qualifying asset is one that necessarily takes a substantial period to get ready for its intended use.

All other borrowing costs are charged to the Statement of Profit and Loss on an accrual basis as per the effective interest rate method.

3.7 Fair value measurement

The Company measures financial instruments at fair value which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- in the principal market for the asset or liability, or
- in the absence of a principal market, in the most advantageous market for the asset or liability.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities;

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable; and

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

3.8 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets:

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

Financial assets carried at amortized cost – a financial asset is measured at the amortized cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Whizdm Innovations Private Limited

Summary of significant accounting policies and other explanatory information for the year ended March 31, 2023 (All amounts are in Indian Rupees Lakhs, except share data and per share data, unless otherwise stated)

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest income in the Statement of Profit and Loss.

De-recognition of financial assets

Financial assets (or where applicable, a part of financial asset or part of a Company of similar financial assets) are derecognised (i.e. removed from the Company's balance sheet) when the contractual rights to receive the cash flows from the financial asset have expired, or when the financial asset and substantially all the risks and rewards are transferred. Further, if the Company has not retained control, it shall also derecognise the financial asset and recognise separately as assets or liabilities any rights and obligations created or retained in the transfer.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, deposits, trade receivables and bank balances.
- b) Financial guarantee contracts which are not measured at Fair value through profit & loss account (FVTPL).

The Company follows 'simplified approach' for recognition of impairment loss allowance on Trade receivables that do not contain a significant financing component.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

Financial liabilities:

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, borrowings etc.

Subsequent measurement

Subsequent to initial recognition, financial liabilities are measured at amortised cost using the effective interest method.

De-recognition

Financial liability is de-recognised when the obligation under the liability is discharged, cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit or Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

3.9 Employee benefits

The Company provides employment benefits through various defined contribution and defined benefit plans. Employee benefits include Provident Fund, Gratuity and Bonus.

Defined contribution plans

A defined contribution plan is a plan under which the Company pays fixed contributions into an independent fund administered by the government. The Company has no legal or constructive obligations to pay further contributions after its payment of the fixed contribution, which are recognised as an expense in the year in which the related employee services are received.

Whizdm Innovations Private Limited

Summary of significant accounting policies and other explanatory information for the year ended March 31, 2023
(All amounts are in Indian Rupees Lakhs, except share data and per share data, unless otherwise stated)

Defined benefit plans

The defined benefit plans sponsored by the Company define the amount of the benefit that an employee will receive on completion of services by reference to length of service and last drawn salary. The legal obligation for any benefits remains with the Company.

Gratuity is post-employment benefit and is in the nature of a defined benefit plan. The liability recognised in the financial statements in respect of gratuity is the present value of the defined benefit obligation at the reporting date, together with adjustments for unrecognised actuarial gains or losses and past service costs. The defined benefit obligation is calculated at or near the reporting date by an independent actuary using the projected unit credit method.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are credited or charged to the statement of OCI in the year in which such gains or losses are determined.

Short-term employee benefits

Expense in respect of other short-term benefits is recognised on the basis of the amount paid or payable for the year during which services are rendered by the employee.

3.10 Leases

At inception of a contract, Company assesses whether the contract is, or contains, a lease. A lease is defined as 'a contract, or part of a contract, that conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration'.

To apply this definition, the Company assesses whether the contract meets all the three key evaluations which are whether:

- the contract contains an identified asset, which is either explicitly identified in the contract or implicitly specified by being identified at the time the asset is made available to the Company.
- the Company has the right to obtain substantially all the economic benefits from use of the identified asset throughout the period of use, considering its rights within the defined scope of the contract
- the Company has the right to direct the use of the identified asset throughout the period of use. The Company assesses whether it has the right to direct 'how and for what purpose' the asset is used throughout the period of use.

Company as a Lessee

The Company applies a single recognition and measurement approach for all leases, except for short term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets. The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

3.11 Taxation

Tax expense recognized in profit or loss comprises the sum of deferred tax and current tax. It is recognized in Statement of Profit and Loss, except when it relates to an item that is recognised in Other comprehensive income (OCI) or directly in equity, in which case, the tax is also recognised in Other comprehensive income or directly in equity.

Whizdm Innovations Private Limited

Summary of significant accounting policies and other explanatory information for the year ended March 31, 2023

(All amounts are in Indian Rupees Lakhs, except share data and per share data, unless otherwise stated)

Current tax is determined as the tax payable in respect of taxable income for the year, using tax rates enacted or substantively enacted and as applicable at the reporting date, and any adjustments to tax payable in respect of previous years.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable income. Deferred tax on temporary differences associated with investments in subsidiaries is not provided if reversal of these temporary differences can be controlled by the Company and it is probable that reversal will not occur in the foreseeable future.

Deferred tax assets and liabilities are calculated, without discounting, at tax rates that are expected to apply to their respective year of realization, provided those rates are enacted or substantively enacted by the end of the reporting year.

Deferred tax liability is recognized for all taxable temporary differences. A deferred tax asset is recognized for all deductible temporary differences to the extent that it is probable that future taxable profits will be available against which the deductible temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Changes in deferred tax assets or liabilities are recognized as a component of tax income or expense in profit or loss, except where they relate to items that are recognized in other comprehensive income or directly in equity, in which case the related deferred tax is also recognized in other comprehensive income or equity, respectively.

3.12 Provisions, contingent liabilities and contingent assets

Provisions are recognized when the Company has a present legal or constructive obligation as a result of a past event; it is probable that an outflow of economic resources will be required from the Company and amounts can be estimated reliably. Timing or amount of the outflow may still be uncertain. Provisions are measured at the estimated expenditure required to settle the present obligation, based on the most reliable evidence available at the reporting date, including the risks and uncertainties associated with the present obligation. Provisions are discounted to their present values, where the time value of money is material.

A contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

In those cases, where the outflow of economic resources as a result of present obligations is considered improbable or remote, no liability is recognized or disclosure is made.

Contingent assets are not recognised in the financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognised.

3.13 Earnings per share

Basic earnings per share is calculated by dividing the profit or loss after tax for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

To calculate diluted earnings per share, the profit or loss after tax for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

3.14 Segment Reporting

The Company is engaged in the businesses of providing Loan facilitation services among others in terms of Ind AS 108 "Operating segments" specified under section 133 of the Companies Act, 2013. The entire revenues are billable within India and there is only one geographical segment.

Whizdm Innovations Private Limited

Summary of significant accounting policies and other explanatory information for the year ended March 31, 2023
(All amounts are in Indian Rupees Lakhs, except share data and per share data, unless otherwise stated)

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM) of the Company. The CODM is responsible for allocating resources and assessing performance of the operating segments of the Company.

3.15 Impairment of assets

At the end of each reporting year, the Company reviews the carrying amounts of its tangible and intangible assets or cash generating units to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest Company of cash-generating units for which a reasonable and consistent allocation basis can be identified.

3.16 Share based payments

The fair value of options granted under Employee Stock Option Plan is recognized as an employee benefits expense with a corresponding increase in equity. The total amount to be recognized is determined by reference to the fair value of the options and is recognized over the vesting period, which is the period over which all of the specified vesting conditions are to be satisfied. At the end of each period, the entity revises its estimates of the number of options that are expected to vest based on the non-market vesting and service conditions. Upon exercise of share options, the proceeds received are allocated to share capital up to the par value of the shares issued with any excess being recorded as share premium.

The fair value of options granted to the employees of the subsidiary company under Employee Stock Option Plan is recovered from the subsidiary company.

3.17 Cash and cash equivalents

Cash comprises cash on hand and cash at bank, including fixed deposits with original maturity period of three months or less and short-term highly liquid investments with an original maturity of three months or less, which are subject to insignificant risk of changes in value. Cash equivalents are short-term balances, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

3.18 Foreign Currency Transactions

Transactions in foreign currencies are recorded at the rate of exchange prevailing on the date of transaction. Exchange difference on restatement of all other monetary items is recognised in the Statement of Profit and Loss.

3.19 Statement of Cash Flows

Statement of Cash Flows is reported using the indirect method, whereby the net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The Statement of Cash Flows from operating, investing and financing activities of the Company are segregated.

3.20 Significant management judgments in applying accounting policies and estimation of uncertainty

The preparation of the Company's financial statements requires management to make judgments, estimates, and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the related disclosures. Actual results may differ from these estimates.

3.21 Significant management judgments

Recognition of deferred tax assets/ liabilities – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.

Evaluation of indicators for impairment of assets – The evaluation of the applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

Whizdm Innovations Private Limited

Summary of significant accounting policies and other explanatory information for the year ended March 31, 2023
(All amounts are in Indian Rupees Lakhs, except share data and per share data, unless otherwise stated)

3.22 Significant estimates

Useful lives of depreciable/amortizable assets – The management reviews its estimate of the useful lives of depreciable/amortizable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of assets.

Fair value measurements – The management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument. In estimating the fair value of an asset or a liability, the Company uses market-observable data to the extent it is available. In case of non-availability of market-observable data, Level 2 & Level 3 hierarchy is used for fair valuation.

Expected Credit Loss ('ECL') – The measurement of an expected credit loss allowance for financial assets measured at amortized cost requires the use of credit models and significant assumptions about future economic conditions and credit behavior (e.g., likelihood of customers defaulting and resulting losses). The Company makes significant judgments about the following while assessing expected credit loss to estimate ECL:

- Determining criteria for a significant increase in credit risk;
- Establishing the number and relative weightings of forward-looking scenarios for each type of product/market and the associated ECL; and
- Establishing Company's of similar financial assets to measure ECL.

Provisions and other contingent liabilities - Provisions and liabilities are recognized in the year when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

Effective Interest Rate (EIR) method - The Company's EIR methodology, recognises interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected behavioral life of loans given / taken and recognises the effect of potentially different interest rates at various stages and other characteristics of the product life cycle (including prepayments and penalty interest and charges). This estimation, by nature, requires an element of judgement regarding the expected behavior and life-cycle of the instruments, as well expected changes to India's base rate and other fee income/expense that are integral parts of the instrument.

New Standards and Amendments to the Existing Ind AS - The Ministry of Corporate Affairs notifies new standard or amendments to the existing standards. On March 31, 2023, MCA amended the following Indian Accounting Standards vide Companies (Indian Accounting Standards) Amendment Rules, 2023, as below:

- **Ind AS 1 - Presentation of Financial Statements**

This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after 1st April 2023.

- **Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors**

This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after 1st April 2023.

- **Ind AS 12 - Income Taxes**

This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after 1st April 2023.

The Company has evaluated the above amendments and the impact of these amendments is insignificant in the Company's financial statements.

i) Rights, preferences and restrictions attached to CCCPS:

CCCPS were issued at premium (face value Rs. 10 each) and each such CCCPS is convertible into Equity Shares at the conversion ratio then in effect for such series of Investor Preference Shares upon the earlier of (i) the date that is immediately prior to the date of filing of a red herring prospectus, or (ii) the date, or the occurrence of an event, specified by vote or written consent or agreement of each Investor or (iii) 20 (twenty) years after the date on which such series of Investor Preference Shares were first issued by the Company. The holders of these shares are entitled to a dividend of 0.01% p.a proportionately for the period for which the shares are being held and it shall be paid in preference to any dividend or distribution payable upon shares of any other class. Each holder of CCCPS shares is entitled to vote at each meeting of the holders of the equity shares to the extent of such proportion of the total voting rights, as they would have been entitled assuming full conversion of the CCCPS shares.

The holders of the preference share shall be entitled to receive notice of and vote on all matters that are submitted to the vote of the shareholders of the Company (including the holders of equity shares). Each preference share shall entitle the holder to the number of votes equal to the number of whole equity shares into which such preference share could then be converted.

In the event of liquidation of the Company, each series of preference shares shall be entitled to receive out of the proceeds or assets of the Company available for distribution, on a pari passu basis with the other Preference Holders and prior and in preference to any distribution of proceeds of such liquidation event to the holders of equity shares.

The Holders of the aforesaid CCCPS are entitled to a broad-based weighted average anti-dilution protection in accordance with Schedule 3 of the Shareholders agreement dated December 24, 2022.

In respect of the shareholders' agreement dated September 19, 2018, the preference shareholders of the Company had exit rights including requiring the Company to buy back shares held by them. During the year ended March 31, 2022, the shareholders approved amendment to the terms of agreement to rescind their rights to require buy back by the Company effective inception of the Shareholder's Agreement. Considering the buy-back obligation of the Company, the preference shares, at inception, were recorded as liability at fair value through profit and loss. As at April 1, 2021 the fair value of liability amounted to Rs. 76,169.80. Consequent to the above amendment, the Company, on March 31, 2022 has reclassified the liability to equity.

Note:

In July 10, 2018, the Company has entered into an agreement for issue of 16,265 warrants at warrant purchase price of Rs. 28.97 per warrant and each warrant shall entitle the subscriber to purchase one equity share upon exercise of warrant at an exercise price of Rs. 2,897.47. On September 06, 2019, the Company has allotted 16,265 warrants which are exercisable within 24 months from the date of allotment. On August 23, 2021, the Company received a formal notice from the warrant holder stating their intention to exercise all the warrants issued to them. Pursuant to the notice, the Company allotted 16,265 equity shares to the warrant holder at the agreed exercise price of Rs. 2,897.47 on September 23, 2021.

Nature and purpose of reserve**(i) Securities premium**

Securities premium is used to record the premium on issue of shares. The reserve is utilised in accordance with the provisions of the Act.

(ii) Capital Redemption Reserve

As per Companies Act, 2013, capital redemption reserve is created when company purchases its own shares out of free reserves or securities premium. A sum equal to the nominal value of the shares so purchased is transferred to capital redemption reserve. The reserve is utilised in accordance with the provisions of section 69 of the Companies Act, 2013.

(iii) Share based payment reserve

The Company has established equity settled share based payment plans for employees of the Company and its subsidiary.

(iv) Retained earnings

The amount that can be distributed by the Company as dividends to its equity shareholders.

(v) Other comprehensive income

Other comprehensive income represents re-measurements of the defined benefits plan.

Revenue from contracts with customers under Ind AS 115

- (a) Indian Accounting Standard 115 Revenue from Contracts with Customers ("Ind AS 115"), establishes a framework for determining whether, how much and when revenue is recognised and requires disclosures about the nature, amount, timing and uncertainty of revenues and cash flows arising from customer contracts. Under Ind AS 115, revenue is recognised through a 5-step approach:
- Identify the contract(s) with customer;
 - Identify separate performance obligations in the contract;
 - Determine the transaction price;
 - Allocate the transaction price to the performance obligations; and
 - Recognise revenue when a performance obligation is satisfied.

- (b) In accordance with Ind AS 115, set out below is the disaggregation of the Company's revenue from contracts with customers:

Type of services	Year ended March 31, 2023	Year ended March 31, 2022
Fees and commission income	57,630.52	21,627.00

38 Leases

Company as a lessee

The Company has adopted Ind AS 116, Leases effective April 01, 2019, as notified by the Ministry of Corporate Affairs (MCA) in the Companies (Indian Accounting Standard) Amendment Rules 2019, using modified retrospective approach from April 01, 2021 and charged depreciation on a straight line method basis on the right of use asset created on the transition date.

The Company has leases for office premises used in its business operations. With the exception of short-term leases and leases of low-value underlying assets, each lease is reflected on the balance sheet as a right-of-use asset and a lease liability.

Each lease generally imposes a restriction that, unless there is a contractual right for the Company to sublease the asset to another party, the right-of-use asset can only be used by the Company. The Company is prohibited from selling or pledging the underlying leased assets as security. For leases over office buildings the Company must keep those properties in a good state of repair and return the properties in their original condition at the end of the lease.

(a) Right of Use assets

Set out below are the carrying amounts of right-of-use assets recognised and the movements during the period:

Particulars	Office Buildings	Total
As at April 01, 2021	372.68	372.68
Additions	-	-
Adjustments	-	-
Depreciation expense	(137.93)	(137.93)
As at March 31, 2022	234.75	234.75
Additions	-	-
Adjustments	-	-
Depreciation expense	(137.93)	(137.93)
As at March 31, 2023	96.82	96.82

(b) Lease liabilities

Set out below are the carrying amounts of lease liabilities and the movements during the period.

Particulars	Lease liabilities
As at April 01, 2021	387.14
Additions	-
Interest accrued	42.32
Payments	(154.56)
Adjustments	-
As at March 31, 2022	274.90
Additions	-
Interest accrued	26.06
Payments	(164.65)
Adjustments	-
As at March 31, 2023	136.31

(c) Maturity analysis of lease liabilities

Lease liabilities	March 31, 2023	March 31, 2022	April 01, 2021
Within one year	105.80	137.08	115.24
After one year but not more than five years	30.51	137.82	271.90
More than five years	-	-	-

(d) Information about right of use assets

Particulars	March 31, 2023	March 31, 2022	April 01, 2021
Nature of right of use asset	Office premises	Office premises	Office premises
No. of right of use assets leased	3	3	3
Range of remaining term	4-19 months	16-31 months	29-44 months
Average remaining lease term	11 months	23 months	35 months
Future cash flows to which lessee is potentially exposed to			
Variable lease payments	-	-	-
Extension and termination options	-	-	-
Residual value guarantees	-	-	-
Leases not yet commenced to which the lessee is committed	-	-	-
Total			
Restrictions or covenants imposed by leases	None	None	None
Sale and leaseback transactions	None	None	None

(e) Considerations on application of Ind AS 116: Leases

- (i) The Company had elected not to include initial direct costs in the measurement of the right-of-use asset for operating leases in existence at the date of initial application of Ind AS 116.
- (ii) The Company has benefited from the use of hindsight for determining the lease term when considering options to extend and terminate leases.
- (iii) On application of Ind AS 116 the weighted average incremental borrowing rate applied to lease liabilities recognised was 13.00 % p.a.

Whizdm Innovations Private Limited

Notes to the standalone financial statements for the year ended March 31, 2023

(All amounts are in Indian Rupees Lakhs, except share data and per share data, unless otherwise stated)

39 Share-based payments

(a) Employee Stock Option Plan

On June 05, 2015, the Board of Directors approved the Equity Settled "Whizdm Employees Stock Option Plan - 2015" for issue of stock options to various employees of the Company and its subsidiary. The plan was subsequently revised by the Board on March 01, 2019.

The options are to be granted to the eligible employees as per the eligibility criteria as determined by the Board/Compensation Committee at its sole discretion. Under the plan, participants have been granted options which will vest as follows:

Scheme	Vesting Conditions	Exercise Period	Exercise Price	Other conditions
Whizdm Employees Stock Option Plan - 2015	Continuing employment of minimum of 1 year and graded vesting on quarterly basis over 12 quarters after the initial vesting at the end of year 1	Date of the occurrence of a liquidity event or Board approval	₹ 1	Nil

The stock compensation cost is computed under the fair value method and has been recognised as employee cost on a straight line basis over the vesting period upto March 31, 2023. For the year ended March 31, 2023, the Company has recorded an additional employee cost of Rs. 1,994.92 (March 31, 2022: Rs. 404.67) in the Statement of Profit or Loss.

	No. of options March 31, 2023	No. of options March 31, 2022
Options outstanding at the beginning	1,04,349	93,265
Granted during the year ended	29,906	18,458
Lapsed during the year ended	(11,258)	(7,374)
Exercised during the year ended	-	-
Options outstanding at the end	1,22,997	1,04,349

The fair value of share options granted is estimated at the date of grant using a Black Scholes Merton model, taking into account the terms and conditions upon which the share options were granted.

The expected life used in the model has been adjusted, based on management's best estimate for the effects of non-transferability, exercise restrictions and behavioural considerations. The contractual term of the share options is ten years and there are no cash settlement alternatives for the employees.

The assumptions used while computing fair value of options is as following:

Particulars	March 31, 2023	March 31, 2022	April 01, 2021
Weighted average fair values at the measurement date	7,098.08	3,472.21	2,571.46
Weighted average remaining contractual life of share options (years)	3.17	3.06	3.55
Expected volatility (%)	50.0%	50.0%	50.0%
Dividend yield (%)	0.0%	0.0%	0.0%
Risk-free interest rate (%)	7.35%-7.52%	6.28%-6.81%	5.81%-8.46%
Weighted average exercise price (INR)	1	1	1
Model used	Black Scholes	Black Scholes	Black Scholes

(b) Stock appreciation rights (SARs)

On June 5, 2015, the management approved Stock Appreciation Plan 2015 to be granted to eligible consultants/advisors as and when deemed fit. The SARs price is linked to the fair value of shares as computed by the valuer and are cash settled and vest in the manner as provided in the scheme/grant letters to the consultants/advisors.

	No. of SARs March 31, 2023	No. of SARs March 31, 2022
Rights outstanding at the beginning	20,779	20,779
Granted during the year ended	-	-
Lapsed during the year ended	(4,614)	-
Exercised during the year ended	-	-
Rights outstanding at the end	16,165	20,779

(This space has been intentionally left blank)

40 Employee benefit obligations

Defined contribution plans

The Company makes contributions to the Provident Fund for all eligible employees. Under the plan, the Company is required to contribute a specified percentage of payroll costs. Accordingly, the Company has recognised as expense in the Statement of Profit and Loss the following:

Particulars	Year ended March 31, 2023	Year ended March 31, 2022
Employer's contribution to provident fund	64.95	47.97

(a) Defined benefit plans- Gratuity (unfunded)

The Company has a defined benefit gratuity plan. Every employee is entitled to gratuity as per the provisions of the Payment of Gratuity Act, 1972. The liability of Gratuity is recognized on the basis of actuarial valuation.

The following table sets out the status of the defined benefit schemes and the amount recognised in the financial statements:

(i) Amount recognised in the balance sheet is as under:

Particulars	March 31, 2023	March 31, 2022	April 01, 2021
Present value of obligation	398.50	242.98	168.51
Fair value of plan assets	-	-	-
Net (assets)/ liability recognised in balance sheet	398.50	242.98	168.51

(ii) Net amount recognised in the Statement of Profit and Loss is as under:

Particulars	Year ended March 31, 2023	Year ended March 31, 2022
Current service cost	120.24	74.24
Past service cost	-	-
Interest cost on defined benefit obligation	17.62	12.22
Expected return on plan assets	-	-
Net impact on profit (before tax)	137.86	86.46
Actuarial (gain)/ loss recognised during the year	20.79	(7.97)
Total	158.65	78.49

(iii) Movement in the present value of defined benefit obligation recognised in the balance sheet is as under:

Particulars	Year ended March 31, 2023	Year ended March 31, 2022
Present value of defined benefit obligation as at the beginning of year	242.98	168.51
Current service cost	120.24	74.24
Past service cost	-	-
Interest cost	17.62	12.22
Benefits paid	(3.13)	(4.02)
Actuarial loss/(gain) on obligation:		
- arising from change in demographic assumption	-	-
- arising from change in financial assumption	(6.12)	(13.43)
- arising from experience adjustments	26.91	5.46
Present value of defined benefit obligation as at the end of the year	398.50	242.98

(iv) Actuarial assumptions

Particulars	March 31, 2023	March 31, 2022	April 01, 2021
Discounting rate (%)	7.50%	7.25%	6.50%
Future salary increase (%)	10.00%	10.00%	10.00%
Retirement age (years)	60 years	60 years	60 years
Mortality	IALM 2012-14	IALM 2012-14	IALM 2012-14
Withdrawal rate (%)	10.00%	10.00%	10.00%

(v) Sensitivity analysis of present value of obligation as at the year end:

Particulars	March 31, 2023	March 31, 2022	April 01, 2021
Impact of the change in discount rate:			
- Impact due to increase of 1.00 %	364.31	(222.22)	(153.55)
- Impact due to decrease of 1.00 %	435.50	267.51	186.32
Impact of the change in salary			
- Impact due to increase of 1.00 %	432.95	265.29	184.22
- Impact due to decrease of 1.00 %	366.19	(224.00)	(155.34)
Impact of the change in withdrawal rate			
- Impact due to increase of 1.00 %	387.20	(235.53)	(161.89)
- Impact due to decrease of 1.00 %	411.05	251.32	176.00

(vi) Maturity profile of defined benefit obligation

* Investment in equity shares in subsidiary has been accounted at cost as per Ind AS 27 "Consolidated and Separate Financial Statements".

The management assessed that fair values of loans, cash and cash equivalents, other bank balances, trade receivables and trade payables approximate their respective carrying amounts, largely due to the short-term maturities of these instruments.

B Fair values hierarchy

The fair value of financial instruments as referred to in note (A) above has been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities [Level 1 measurements] and lowest priority to unobservable inputs [Level 3 measurements].

The categories used are as follows:

Level 1: Quoted prices (unadjusted) for identical instruments in an active market;

Level 2: Directly (i.e. as prices) or indirectly (i.e. derived from prices) observable market inputs, other than Level 1 inputs; and

Level 3: Inputs which are not based on observable market data (unobservable inputs)

(All amounts are in Indian Rupees Lakhs, except share data and per share data, unless otherwise stated)

C Financial risk management

i) Risk Management

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's board of directors has overall responsibility for the establishment and oversight of the Company risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Risk and exposure arising from	Management framework
Credit risk :- Bank balances, investments, trade receivables, loans and other financial assets	Bank deposits, diversification of asset base, debtor ageing analysis and credit limits.
Liquidity risk- Financial liabilities	Regular equity infusion by existing and new investors, availability of borrowing limits
Market risk - security price - Investment in mutual funds	Diversification of portfolio with focus on strategic investments.

A) Credit risk

Credit risk is the risk that a counterparty fails to discharge its obligation to the Company. The Company's exposure to credit risk is influenced mainly by bank balances, trade receivables, loan assets, and other financial assets measured at amortised cost. The Company continuously monitors defaults of customers and other counterparties through ageing analysis and incorporates this information into its credit risk controls.

a) Credit risk management

The Company assesses and manages credit risk based on internal credit rating system. Internal credit rating is performed for each class of financial instruments with different characteristics. The Company assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

(i) Low credit risk on financial reporting date

(ii) Moderate credit risk

(iii) High credit risk

The Company provides for expected credit loss based on the following:

Nature and assets covered	Basis of expected credit loss
Low credit risk:- Bank balances, investments, trade receivables, loans and other financial assets	12 months expected credit loss for all financials assets other than trade receivables. 'Simplified approach' for recognition of expected credit loss on trade receivables.
Moderate credit risk- None	Life time expected credit loss or 12 month expected credit loss
High credit risk- None	Life time expected credit loss

Based on business environment in which the Company operates, a default on a financial asset is considered when the counter party fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions.

Assets are written off when there is no reasonable expectation of recovery, such as a customer declaring bankruptcy or a litigation decided against the Company. The Company continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognised in Statement of Profit and Loss.

Financial assets that expose the entity to credit risk*

Particulars	March 31, 2023	March 31, 2022	April 01, 2021
(i) Low credit risk - Stage 1			
Investments	41,021.32	30,199.00	3,800.47
Trade receivables	22,027.52	6,169.32	1,472.18
Cash and cash equivalents	6,312.29	4,403.70	1,951.43
Other bank balances	37,195.11	14,726.12	849.78
Loans	-	900.85	1,473.09
Other financial assets	36,566.83	9,009.50	3,689.86
	1,43,123.07	65,408.49	13,236.82
(ii) Moderate credit risk - Stage 2	-	-	-
(iii) High credit risk - Stage 3	-	-	-

* These represent gross carrying values of financial assets, without deduction for expected credit losses.

The Company does not have any significant or material history of credit losses. Hence, the credit risk for all the financial assets has been considered to be negligible by the management as at the closing date.

Whizdm Innovations Private Limited

Notes to the standalone financial statements for the year ended March 31, 2023

(All amounts are in Indian Rupees Lakhs, except share data and per share data, unless otherwise stated)

B) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset.

The Company's approach to managing liquidity is to ensure as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates.

Maturities of financial liabilities

The tables below analyse the Company financial liabilities into relevant maturity groupings based on their contractual maturities.

The amounts disclosed in the table are the contractual undiscounted cash flows.

March 31, 2023	Less than 1 year	Over 1 year & upto 3 years	Over 3 years & upto 5 years	Over 5 years	Total
Financial liabilities					
Borrowings	663.06	-	-	-	663.06
Lease liabilities	105.80	30.51	-	-	136.31
Trade payables	6,860.36	-	-	-	6,860.36
Other financial liabilities	1,654.99	-	-	-	1,654.99
Total financial liabilities	9,284.21	30.51	-	-	9,314.72
March 31, 2022	Less than 1 year	Over 1 year & upto 3 years	Over 3 years & upto 5 years	Over 5 years	Total
Financial liabilities					
Borrowings	982.58	663.06	-	-	1,645.64
Lease liabilities	137.08	137.82	-	-	274.90
Trade payables	4,363.79	-	-	-	4,363.79
Other financial liabilities	1,901.96	-	-	-	1,901.96
Total financial liabilities	7,385.41	800.88	-	-	8,186.29
April 01, 2021	Less than 1 year	Over 1 year & upto 3 years	Over 3 years & upto 5 years	Over 5 years	Total
Financial liabilities					
Borrowings [refer note 17(b)(i)]	-	-	-	76,169.80	76,169.80
Lease liabilities	115.24	241.39	30.51	-	387.14
Trade payables	1,001.37	-	-	-	1,001.37
Other financial liabilities	78.29	673.70	-	-	751.99
Total financial liabilities	1,194.90	915.09	30.51	76,169.80	78,310.30

C) Market risk - Price risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices.

a) Exposure

The Company's exposure price risk arises from investments held and classified in the balance sheet at fair value through profit or loss. To manage the price risk arising from investments, the Company diversifies its portfolio of assets.

b) Sensitivity

The table below summarises the impact of increases/decreases of the index on the Company's equity and profit for the period:

Impact on profit after tax

Particulars	March 31, 2023	March 31, 2022
Mutual funds		
Net assets value – increase by 1%	244.03	243.81
Net assets value – decrease by 1%	(244.03)	(243.81)

ii) Capital management

The Group's capital management objectives are

- to ensure the Group's ability to continue as a going concern
- to provide an adequate return to shareholders

The Group monitors capital on the basis of the carrying amount of equity less cash and cash equivalents as presented on the face of balance sheet.

Management assesses the company's capital requirements in order to maintain an efficient overall financing structure while avoiding excessive leverage. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return on capital to shareholders and issue new shares.

Whizdm Innovations Private Limited**Notes to the standalone financial statements for the year ended March 31, 2023**

(All amounts are in Indian Rupees Lakhs, except share data and per share data, unless otherwise stated)

43 First-time adoption of Ind AS

These financial statements, for the year ended March 31, 2023, are the first financial statements which have been prepared in accordance with Ind AS. For periods up to and including the year ended March 31, 2022, the Company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP or previous GAAP).

Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for year end on March 31, 2023, together with the comparative period data as at and for the year ended March 31, 2022, as described in the summary of significant accounting policies. In preparing these financial statements, the Company's opening balance sheet was prepared as at April 01, 2021, being the Company's date of transition to Ind AS. This note explains the principal adjustments made by the Company in restating its Indian GAAP financial statements, including the balance sheet as at April 01, 2021 and the financial statements as at and for the year ended March 31, 2022.

Exemptions applied:

Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS. Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from previous GAAP to Ind AS:

A) Optional exemptions**i) Deemed cost for property, plant and equipment and other intangible assets**

Ind AS 101 permits a first time adopter to elect to continue the carrying value of all its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost after making necessary adjustments to decommissioning liabilities. This exemption can also be used for intangible assets covered under Ind AS 38.

Accordingly, the Company has elected to measure all its property, plant and equipment and intangible assets at the carrying value under the previous GAAP.

B) Mandatory exceptions**Estimates**

The estimates as at April 01, 2021 and as at March 31, 2022 are consistent with those made for the same dates in accordance with previous GAAP (after adjustments to reflect any differences in accounting policies) apart from impairment of financial assets based on expected credit loss model and estimates relating to determination of discounted value as these were not required under the previous GAAP.

The estimates used by the Company to present these amounts in accordance with Ind AS reflect conditions as at April 01, 2021, the date of transition to Ind AS and as of March 31, 2022.

Impairment of financial assets

The Company has applied the exemption relating to impairment of financial assets given in IndAS 101. It has used reasonable and supportable information that is available without undue cost or effort to determine the credit risk at the date that financial assets were initially recognised and compared that to the credit risk as at April 01, 2021.

De-recognition of financial assets and liabilities

Ind AS 101 requires a first time adopter to apply the de-recognition provisions of Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS. However Ind AS 101, allows a first time adopter to apply the de-recognition requirements in Ind AS 109 retrospectively from a date of entity's choosing, provided that the information needed to apply Ind AS 109 to financial assets and financial liabilities derecognised as a result of past transactions was obtained at the time of initially accounting for those transactions.

The Company has elected to apply the derecognition provisions of Ind AS 109 prospectively from the date of transition to Ind AS.

Classification and measurement of financial assets

Ind AS 101 requires an entity to assess classification and measurement of financial assets on the basis of facts and circumstances that exist at the date of transition to Ind AS. Financial assets can be measured using effective interest method by assessing its contractual cash flow characteristics only on the basis of facts and circumstances existing at the date of transition and if it is impracticable to assess the use of effective interest method, fair value of financial asset at the date of transition shall be the new carrying amount of that asset. The measurement exemption applies for financial liabilities as well.

Reconciliation of equity as at April 01, 2021 and March 31, 2022

Particulars	Note reference	Reconciliation of equity	
		As at March 31, 2022	As at April 01, 2021
Equity under previous GAAP		54,304.56	10,742.43
Adjustments:

(All amounts are in Indian Rupees Lakhs, except share data and per share data, unless otherwise stated)

Reconciliation of profit for the year ended March 31, 2022

Particulars	Note reference	Year ended March 31, 2022
Net profit after tax as per previous GAAP		1,807.36
a) Impact of application of Ind AS 115	2	(1,228.66)
b) Impact of investments carried at fair value through profit and	3	64.74
c) Impact of application of lease accounting under Ind AS 116	5	(20.48)
f) Impact of Effective Interest Rate on borrowings	6	(9.93)
g) Others		(12.90)
Net profit after tax as per Ind AS		600.14
h) Other comprehensive income (net of tax)		14.80
Total comprehensive income as per Ind AS		614.94

Footnotes for reconciliation of equity as at April 01, 2021 and March 31, 2022 and profit for the year ended March 31, 2022

1. Fair valuation of CCPS reclassified to borrowings

In respect of the shareholders' agreement dated September 19, 2018, the preference shareholders of the Company had exit rights including requiring the Company to buy back shares held by them. On March 7, 2022, the shareholders approved amendment to the terms of agreement to rescind their rights to require buy back by the Company effective inception of the Shareholder's Agreement. Considering the buy-back obligation of the Company, the preference shares, at inception, were recorded as liability at fair value through profit and loss.

2. Difference on account of revenue recognition is primarily due to difference in timing of revenue recognition under Ind AS as compared to Previous GAAP.

3. Investments carried at fair value through profit and loss

Investments in mutual funds have been measured at Fair Value Through Profit or Loss (FVTPL) under Ind AS as against lower of cost or fair value, under the Previous GAAP. The difference between the fair value and previous GAAP carrying value on transition date has been recognised as an adjustment to opening retained earnings. Subsequent fair value changes have been recorded through the Statement of Profit and Loss.

4. Fair valuation method for employee stock options

Under Ind AS, the compensation cost of employee stock option plan is recognised based on the fair value of the options determined using an appropriate pricing model at the date of grant as compared to the intrinsic value method followed under IGAAP.

5. Application of lease accounting under Ind AS 116

The Company has adopted Ind AS 116, Leases effective 1 April 2019, as notified by the Ministry of Corporate Affairs (MCA) in the Companies (Indian Accounting Standard) Amendment Rules 2019, using modified retrospective approach.

6. Application of Effective Interest Rate on borrowings

Under previous GAAP, transaction costs incurred on borrowings was charged to statement of profit and loss on straightline basis over the tenor of the borrowing. While under Ind AS, such costs are included in the initial recognition amount of financial liabilities and recognised as interest expense using the effective interest method.

Effect of Ind AS adoption on the statement of cash flows for the year ended March 31, 2022

Particulars	Previous GAAP	Adjustments	Ind AS
Net cash from/(used in) operating activities	4,869.23	429.27	5,298.50
Net cash from/(used in) investing activities	(45,157.76)	(239.99)	(45,397.75)
Net cash from/(used in) financing activities	42,740.80	(189.28)	42,551.52
Net increase/(decrease) in cash and cash equivalents	2,452.27	-	2,452.27
Cash and cash equivalents at the beginning of the year	1,951.43	-	1,951.43
Cash and cash equivalents at the end of the year	4,403.70	-	4,403.70

Note: The previous GAAP figures have been reclassified to confirm to Ind AS presentation requirements for the purposes of this note.

44 Financial Ratios

a. Current ratio = Current assets divided by current liabilities

Particulars	March 31, 2023	March 31, 2022	April 01, 2021
Current Assets	1,21,241.89	52,827.87	9,612.61
Current Liabilities	13,977.56	8,484.28	1,541.57
Ratio	8.67	6.23	6.24
% Change from previous period	39.31%	-0.14%	

Comments: Increase in the ratio is on account of share capital infusion which in turn has increased the cash and investment balances.

b. Debt Equity ratio = Total debt divided by total equity where total debt refers to sum of current and non current borrowings

Particulars	March 31, 2023	March 31, 2022	April 01, 2021
Total debt	663.06	1,645.63	76,169.80
Total equity	1,32,520.52	53,132.79	(65,404.78)
Ratio	0.01	0.03	(1.16)
% Change from previous period	83.85%	-100%	

Comments: Decrease in the ratio is on account of share capital infusion and repayment of existing debt.

c. Debt Service Coverage Ratio = Earnings available for debt services divided by current interest and principal repayments

Particulars	Year ended March 31, 2023	Year ended March 31, 2022
Profit after tax	16,838.22	614.94
Add: Non cash operating expenses and finance cost		
- Finance Cost	285.30	327.85
- Depreciation and Amortisation Cost	419.68	269.48
Earnings available for debt services (A)	17,543.20	1,212.27
Current Borrowings		
Add - Current maturities of long-term borrowing	663.06	982.58
Add - Current interest payments	36.35	175.39
Total Debt (B)	699.40	1,157.97
Ratio (A/B)	25.08	1.05
% Change from previous period	2295.95%	

Comments: Increase in ratio is on account of increase in profit and reduction in debt on account of repayment.

d. Return on Equity Ratio / Return on Investment Ratio = Net profit after tax divided by Average Equity

Particulars	March 31, 2023	March 31, 2022
Net Profit after Tax	16,838.22	614.94
Average equity	92,826.66	(6,135.99)
Ratio	18.14%	-10.02%
% Change from previous period	-281.00%	

Comments: Increase in ratio is on account of increase in profit and increase in average equity on account of infusion of share capital.

e. Net capital Turnover Ratio = Revenue from operations divided by Average Net Working capital net working capital

Particulars	March 31, 2023	March 31, 2022
Revenue from operations	57,630.52	21,627.00
Net Working Capital	75,803.96	26,207.31
Ratio	0.76	0.83
% Change from previous period	-7.87%	

f. Net profit ratio = Net profit after tax divided by Revenue from operations

Particulars	March 31, 2023	March 31, 2022
Net profit after tax	16,838.22	614.94
Revenue from operations	57,630.52	21,627.00
Ratio	29.22%	2.84%
% Change from previous period	927.57%	

Comments: Increase in ratio is on account of increase in comparative revenue for the year and resultant profit for the year.

g. Return on Capital employed (pre cash)=Earnings before interest and taxes (EBIT) divided by Average Capital Employed

Particulars	March 31, 2023	March 31, 2022
Profit before tax (A)	16,943.15	614.94
Finance costs (B)	285.30	327.85
EBIT (C) = (A)+(B)	17,228.45	942.79
Average Capital Employed (D)	92,826.66	(6,135.99)
Ratio	18.56%	-15.36%
% Change from previous period	-220.79%	

Comments: Increase in ratio is on account of increase in profit and increase in average capital employed on account of infusion of share capital.

Whizdm Innovations Private Limited
Notes to the standalone financial statements for the year ended March 31, 2023
(All amounts are in Indian Rupees Lakhs, except share data and per share data, unless otherwise stated)
